Duties & responsibilities

As our Bore Runner your top priority will be keeping the supply of water up to our cattle, checking and cleaning troughs and servicing motors. By the end of 2020 we will be replacing all our Kabota motors with solar setups making this job easy. In this important role your duties will include, but are not limited to:

- Maintain water level in tanks and Nests;
- Cleaning/ repairing troughs,
- Maintaining water supply poly lines
- Servicing kabota motors;
- Maintaining fences around water points
- Machinery operations (Loader and Lick truck)

Experience required

- Previous experience in a similar role is advantageous but not required
- Mechanical experience is advantageous but not required
- Team player who contributes with others on station and within the business
- Strong safety orientation

Accommodation

- Wifi/food/board is included in your pay pack.
- Days start at 5:30/6am with a hot breakfast made by the station cook.
- Pack your own smoko and lunch for the day in the large communal kitchen.
- Carry out your daily tasks manage your own lunch and smoko breaks.
- After work visit the social club which is open for an hour every afternoon and till late Friday and Saturday nights. It is built inside the old saddlery and is a great place to catch up with other staff and visitors, while enjoying some sport on the big screen.
- There is a communal lounge for all staff.

Start Date

ASAP

Additional Notes

- This job can be physically strenuous (demanding) from time to time. You will be expected to be able to walk, climb, bend, kneel, lift, grip, grasp, push and pull various tools and equipment. You will need the ability to frequently lift, push and pull from 10–20 kilo's and occasionally more.
- This job will require the ability to ascend/descend ladders.
- You will be required to wear personal protective equipment, including hats, gloves, safety glasses, covered shoes, and respiratory protection and ear protection as appropriate.
- This job requires the ability to comprehend written and oral operational and safety instructions and related rules, policies and memos, and to communicate clearly with your co-workers and supervisors.
