

Role: Bore Runner

Location: Brunette Downs Station

of openings: 2

Who

The Australian Agricultural Company has been passionately perfecting the Art of Australian Beef since 1824. It's what we do. Not only are we the oldest continuously operating company in Australia, but also the largest producer of beef, with the ability to deliver consistently at scale. We combine generations of farming heritage with stewardship over some of the world's finest cattle country and the most advanced, innovative technologies available to deliver premium beef to the world's most discerning consumers.

Our site

Brunette Downs is situated 350km north east of the nearest town, Tennant Creek. Mount Isa, Queensland, is 660km south east of Brunette Downs and is the Station's main service town. The property comprises of mostly open downs country and is involved in the breeding and backgrounding of the companies Australian Composite.
