

Role: Bore Runner

Location: South Galway Station

of openings: 1

We offer

- Competitive remuneration
- Air-conditioned accommodation & meals provided
- Development and training
- Transfer opportunities

Who

- We are looking to share the Australian experience and require employees from a diverse range of backgrounds with a variety of skills, talents and aspirations, and a strong work ethic to join us as a Bore Runner.
- We would encourage those with trade skills to apply as on the job training will be provided for this role.
- Throughout our AACo operations, safety is a top priority and, as such, all employees must be absolutely committed to following our disciplined safety policies and procedures.

Our site

South Galway is located in the heart of Channel Country, 400km southwest of Longreach or 1,300km North West of Brisbane by road. Situated on Coopers Creek, it is a part of what is regarded as some of the best natural fattening country in the world. The property is a growing out station, backgrounding cattle for AACo's beef brands.

Duties & responsibilities

As our Bore Runner, your top priority will be keeping the supply of water up to our cattle, checking and cleaning troughs and maintaining solar pump systems. Day to day duties will include, but are not limited to:

- Responsible for water maintenance across designated areas of the station
- Observation and maintenance of watering points
- Travelling between water points in a 4WD vehicle
- Maintenance of 4WD vehicle, small diesel/petrol pumps and spare parts
- Maintenance of solar pump systems

- At each water source (bore) check and maintaining the following: turkey nests, dams, tanks and trough levels and maintain water enclosure fencing.
- Reporting any issues back to the Station Manager
- Keep records in writing of: bores checked, level of water at each watering point, number of cattle at each trough, lick levels and maintenance carried out
- Assisting elsewhere on the property if required
- Perform your job in a safe manner in line with AACo safety programs and procedures
- This is a physical job that includes both indoor and outdoor work in all types of weather and temperature environments.

Requirements

- Current manual drivers licence
- Ability and willingness to use tablets for data tracking and scheduling purposes
- Previous experience in a similar role preferred but not essential
- Ability to co-ordinate a daily and weekly work schedule
- Ability to work both alone and as part of a team
