

Role: Governess

Location: Headingly Station

of openings: 1

About the business

The Australian Agricultural Company has been passionately perfecting the Art of Australian Beef since 1824. It's what we do. Not only are we the oldest continuously operating company in Australia, but also the largest producer of beef, with the ability to deliver consistently at scale. We combine generations of farming heritage with stewardship over some of the world's finest cattle country and the most advanced, innovative technologies available to deliver premium beef to the world's most discerning consumers.

Location

Headingly Station, near Urandangie, is located in the North Queensland region, 200km south west of Mount Isa and 35km from Urandangie. The property is a breeding station producing cattle for AACo's Wagyu brands. Headingly Station is situated on the Georgina River and comprises mainly open black soil downs country with areas of timbered country (mainly Gidyea) scattered throughout.
