

Role: Machinery Operator/Mechanic

Location: Montejinni Station

of openings: 1

About the business

The Australian Agricultural Company has been passionately perfecting the Art of Australian Beef since 1824. It's what we do. Not only are we the oldest continuously operating company in Australia, but also the largest producer of beef, with the ability to deliver consistently at scale. We combine generations of farming heritage with stewardship over some of the world's finest cattle country and the most advanced, innovative technologies available to deliver premium beef to the world's most discerning consumers.

Location

Montejinni Station is located in the Victoria River District, 15km south west of Top Springs, 320km south west of Katherine and 640km south of Darwin. The property is a breeding station running predominantly Brahman cattle.

Duties & responsibilities

As a **Machinery Operator & Mechanic**, your role is to contribute to the success of the Station through the operation of machinery and truck driving. No two days will be the same and your work will vary.
