Role: Grader Driver

Location: South Galway Station

of openings: 1

About the business

The Australian Agricultural Company has been passionately perfecting the Art of Australian Beef since 1824. It's what we do. Not only are we the oldest continuously operating company in Australia, but also the largest producer of beef, with the ability to deliver consistently at scale. We combine generations of farming heritage with stewardship over some of the world's finest cattle country and the most advanced, innovative technologies available to deliver premium beef to the world's most discerning consumers.

Location

South Galway is located in the heart of Channel Country, 400km south west of Longreach or 1,300km north west of Brisbane by road. Situated on Coopers Creek, it is a part of what is regarded as some of the best natural fattening country in the world. The property is a growing out station, backgrounding cattle for AACo's beef brands.

The Opportunity

As our Grader driver you will operate the property grader to keep roads and other maintenance works in good serviceable order. In this important role your duties will include, but are not limited to:

- All main roads to be two cuts wide;
- All firebreaks to be single cut;
- All tail drains to be single V cuts;
- Take care around troughs and outlet lines at nests;
- Check all fences while grading and report any problems to relevant staff.
- Check for cattle in turkey nest enclosures and report to station manager
- Service the machine every 250 hours and check for faults daily.
- Carry out repairs and maintenance when necessary.

Requirements
- Previous experience in a similar role is advantageous but not required
- Mechanical experience is advantageous but not required
- Team player who contributes with others on station and within the business
- Strong safety orientation

Life on station – what can I expect?
- Collaborative team environment
- Air-conditioned accommodation and board provided
- Competitive remuneration
- Development, training and transfer opportunities
