

Role: Machinery Operator

Location: Canobie Station

of openings: 1

About the business

The Australian Agricultural Company has been passionately perfecting the Art of Australian Beef since 1824. It's what we do. Not only are we the oldest continuously operating company in Australia, but also the largest producer of beef, with the ability to deliver consistently at scale. We combine generations of farming heritage with stewardship over some of the world's finest cattle country and the most advanced, innovative technologies available to deliver premium beef to the world's most discerning consumers.

Location

Canobie Station is located 200km north of Cloncurry and 280km south of Normanton. The property is a breeding station running predominantly Brahman x cattle. The Cloncurry River runs through the property which provides permanent water. Canobie has a good mixture of black soils and lighter red country, and the properties Alcala and Wondoola are operated as part of the Canobie aggregation.
