

Role: Station Manager

Location: Delamere Station

of openings: 1

About the business

The Australian Agricultural Company has been passionately perfecting the Art of Australian Beef since 1824. It's what we do. Not only are we the oldest continuously operating company in Australia, but also the largest producer of beef, with the ability to deliver consistently at scale. We combine generations of farming heritage with stewardship over some of the world's finest cattle country and the most advanced, innovative technologies available to deliver premium beef to the world's most discerning consumers.

Location

Delamere Station is located in the Victoria River district, 170km south west of Katherine and 500km south of Darwin. Delamere is a breeding station, running predominantly Brahman cattle.

Duties & responsibilities

Due to recent internal promotions, we are now seeking an experienced individual to join the team as the Station Manager of Delamere. In this role, you will have full accountability for station operations, in addition to day-to-day running of the station you will actively participate in the strategic direction of the VRG supply chain. You will be accountable for ensuring all operations, relevant reporting, budgetary/financial requirements meet a high standard, and lead a team to ensure best practice procedures are maintained across all aspects of the business at all times.

Your role exists to make our business better. On any given day this could include, but is not limited to:

- Strong people management skills with demonstrated ability in creating a diverse, fun and outcome focused culture
- Experience in setting stretch KPI's ensuring that key Company and financial targets are met
- Full strategic accountability for the management and successful execution of the Station's program
- Excellent organisational skills overseeing day to day planning, as well as project management, within a logistically busy and diverse environment within the Station
- An understanding and appreciation of requirements to run a busy station, and complex problems to solve
- Confidence with technology ensuring it drives innovation and efficiency throughout the business
- Leadership and development of staff on Station
- Developing and maintaining beneficial relationships with key suppliers, partners and customers
- Management and accountability of budgets and P&L
- Ensuring the highest standards are upheld in terms of animal husbandry and welfare
- Capital and project management

- Ensuring all work practices and processes are consistent and in line with Company Workplace Health and Safety Guidelines

Qualifications

- Current unencumbered Drivers Licence (Heavy vehicle licence where applicable)
- Firearms Licence (Class A and B)
- Chemical Users Accreditation
- As a minimum 3 years' experience in station leadership roles

Life on station – what can I expect?

- Airconditioned Accommodation and full board included
- Wifi access
- Social Activities, Inter-station competitions, opportunity to participate in Camp drafts
- Onsite social club with wooden deck and pool
